

# Want a competitive edge to increase your sales?

We have financing options that will cultivate your customer base. Our flexible programs give your customers greater spending power for small, mid-size, and large projects. That translates to more profits for your company. Financing will help you:

## Sell larger projects.

Give your customers greater buying power with affordable financing from GE. They get the financing options and the flexibility to buy what they want, when they want it.

## Control the sale.

Don't let customers walk out when they are ready to say "Yes!". Our fast credit decision process helps you close more sales while the customer is enthusiastic about the project.

## Upgrade your marketing.

Our promotional offers will help drive customers to you. Use our brochures and point-of-sale materials to explain the benefits of financing.

## Improve your cash flow.

Financing ensures that you will receive the money you need to complete the project and helps you avoid cash flow problems.

Best of all, our world-class service and support make it easy for you.
